

2011 AUSTRALIA DONATION FORM

Please mail this form with your donation to:
Queensland Institute of Medical Research
The Rio Tinto Ride to Conquer Cancer®
GPO Box 1003, Brisbane QLD 4001
 Or donate online at conquercancer.org.au

- Mail donations to the address above. Do not send donations to **The Rio Tinto Ride to Conquer Cancer** office.
- Each cheque must come with its own donation form.
- All donations will be credited in Australian dollars. We cannot accept cash donations.
- All donations are 100% tax deductible, and are non-refundable and non-transferable.
- If you donate \$2 or more, you will receive a tax receipt in the mail.
- Ask your company if they provide matching gifts for donations.
- Do not alter form. Doing so will cause a delay or return of the donation.

Mr. Simon J Button

YOUR DOLLARS **AT WORK**

Your participation in The Rio Tinto Ride to Conquer Cancer® will support groundbreaking, critical cancer research being undertaken at the Queensland Institute of Medical Research [QIMR].

**WITH MORE
THAN HALF OF
ITS RESEARCH
PROGRAMS
DEDICATED TO
CANCER, QIMR
IS WORKING TO
UNDERSTAND
HOW AND
WHY CANCERS
DEVELOP.**

Currently QIMR researchers are investigating the causes of more than 13 cancers including skin, prostate, colorectal, breast, ovarian, lung and lymphoma. This approach allows the development of the most accurate diagnostics as well as new, targeted drugs, vaccines, and immunotherapies. These treatments have the potential to increase survival rates as well as reduce the side effects of anti-cancer therapies.

In 2001, QIMR opened the Clive Berghofer Cancer Research Centre, a comprehensive cancer research centre unparalleled in Australian history. The Berghofer Centre helped accelerate QIMR's efforts to transform breakthrough cancer research into life-saving, real world applications. In February of 2010, QIMR began construction on the Smart State Medical Research Centre, a brand new 13-floor research facility which will further increase the Institute's research capacity and unify the QIMR campus. Upon completion in early 2012, the facility will accommodate 20 new research laboratories and attract an additional 400 scientists and students, increasing QIMR's staff capacity by more than 60 percent.

You can play an epic role in the journey of medical discovery! Your support of The Rio Tinto Ride to Conquer Cancer will help QIMR continue its aggressive pace in transforming the research initiatives of today into the breakthrough cancer care of tomorrow. Your efforts will bring hope and help to thousands in need across Australia, and around the world.

To learn more about the QIMR, visit www.qimr.edu.au.
